

Guest Information

If you are visiting TPC Summerlin for the first time, there are a few things that we would like you to know to ensure an enjoyable round of golf for all.

Dress Code:

General Clubhouse and Dining Attire: Proper attire must be worn at all times. Denim, bathing attire, t-shirts, gym shorts, coaching shorts, tank tops, tube tops, halter tops, mesh shirts, cutoffs, short shorts, cargo shorts, tattered or worn clothing and other dress of a similar nature are not allowed.

Golf: Collared and mock collared shirts are required and shorts of Bermuda length or walking length. Appropriate clubhouse and dining attire must be worn at all times (see above).

Tennis: Only tennis attire will be permitted on the courts. Cutoffs, gym shorts, street pants, Bermuda shorts, swim attire, basketball shoes, black-soled or track shoes, or other dress of similar nature are not appropriate. Tennis attire is appropriate in the clubhouse, excluding T-shirts.

Swim: Appropriate swim attire must be worn at all times. Infants in diapers must wear protective plastic pants while in the pool area.

Bag Drop:

Upon your arrival at the Club, please drive to the bag drop area. An attendant will confirm your time and place your bag(s) on a golf cart. Once you have parked your vehicle, please proceed to the Golf Shop to check in.

Golf Club Rentals

For your playing convenience, the Club carries *Titleist* rental clubs. Each set is comprised of a *Titleist 975J Driver, 975F Fairway Woods, Titleist 762 Irons, Vokey Sand Wedges, and Scotty Cameron Putters*. Men's right-handed rental sets are available in regular or stiff shaft flex while left-handed and ladies clubs are offered with regular flex only. Each rental set comes with a complimentary 4-ball pack of *Titleist NXT* golf balls. Rental sets may be reserved in advance by telephoning the Golf Shop at (702) 256-0222.

General Information:

Day lockers are available for your convenience without charge. Please inform the locker room attendant upon your arrival and one will be assigned for your convenience throughout the day. The locker room attendant can also assist you with other valet services such as shoe shine and changing your spikes.

The practice facility has stations that are pre set with practice balls for your convenience. You will also have access to the chipping and putting green immediately before and after your scheduled round of golf.

TPC golf courses are known for outstanding layouts and conditioning. In addition to the efforts of our golf course maintenance staff, members and guests play an important role in our ability to be able to provide and maintain a quality product. We ask that all players take the time to replace divots and repair ball marks.

You are asked to check in with the starter at least 10 minutes prior to your starting time. This will ensure that our staff members have the opportunity to familiarize you with the pin placements, cart rules of the day, and any other information that may be pertinent to your golf course experience.

The average pace of play at TPC Summerlin is **4 hours**. In order to stay on pace throughout your round, we recommend the following:

Please play from the suggested tees (refer to scorecard).

- Please keep pace with the group in front of you at all times, irrespective of whether there is a group behind you.
- Please be organized in your club selection and play ready golf (whoever is ready takes the next shot).
- Please spot balls for other players in your group.

Repairing Divots

There are two methods used to repair divots. If there is a piece of turf that is removed intact, the piece of turf can be carefully replaced in the divot scar and pressed firmly in place with your shoe. This is like a little piece of sod that will take root and disappear in a matter of days. Replacing the piece of turf is the preferred method for repairing a divot. However, if there is no discernible piece of turf left after the shot, please use the sand and seed mixture provided on each cart to fill and level the divot scar.

Repairing Ball Marks

Repairing ballmarks immediately has proven to result in healing the damaged turf in a matter of hours. Ballmarks that go unrepaired until the next morning, when the greens are mowed, will take as long as two weeks to grow back together and disappear. In addition, the next group of players will appreciate the smooth, unblemished playing surface when ballmarks are repaired properly.

Dining

The Club features both ala carte dining and private meeting facilities for your enjoyment. Throughout the day, we serve breakfast, lunch, dinner and on-course refreshments. If you have special requirements or dietary considerations, please telephone us in advance so that we may accommodate your requests.

Tipping

Tipping is allowed in all service areas but is not required. An 18 percent gratuity is included in all food and beverage charges.

Payment

The Club accepts *American Express, Visa, Master Card, Diners Club, and Discover* cards as well as cash for payment.

We look forward to your visit and you can be assured that every member of the staff is committed to creating an enjoyable and memorable experience for you.

If we can be of any assistance prior to your arrival or during your visit, please let us know.
